BR PETROBRAS

Certificate of Registration and Registry Classification – CRCC

Issued by: No. Rev.
MATERIALS 023199 00

Date of issue:
26 January 2011
Date of validity
25 January 2012

This CRCC replaces and cancels all previous issues.

Suppliers
**PTC DO BRASIL TECNOLOGIA
EM PETROLEO LTDA.**
CNPJ/CPF: 11.979.996/0001-45

WE CERTIFY that the company identified above is registered in due and proper manner in the Register of Suppliers of Materials and/or Services for PETROBRAS and is authorised for the specialist sectors as indicated in the appended schedule.

The registration represented by this Certificate does not imply any obligation to contract, the holder still being subject to the pertinent invitation to tender procedures in whatever the situation.

WE EMPHASISE THE IMPORTANCE OF ADVISING US OF ANY CHANGE IN YOUR REGISTRATION DETAILS (FULL ADDRESS, DDD, TELEPHONE, FAX, E-MAIL, CONTACT PERSON, ETC.), IN ORDER NOT TO PREJUDICE THE RELATIONSHIP BETWEEN YOUR COMPANY AND PETROBRAS.

IMPROPER USE OF THIS CRCC WILL CONSTITUTE A SERIOUS INFRINGEMENT WHICH WILL INCUR SANCTIONS WITHIN THE FRAMEWORK OF GOODS AND SERVICES FOR PETROBRAS, WITH THE COMPANY POTENTIALLY BEING BARRED FROM TRANSACTIONS WITH THE ENTIRE PETROBRAS SYSTEM.

BR PETROBRAS

Certificate of Registration and Registry Classification – CRCC

Issued by: No. Rev. Page 002
MATERIALS 023199 00

Date of issue:
26 January 2011
Date of validity
25 January 2012

This CRCC replaces and cancels all previous issues.

Suppliers
PTC DO BRASIL TECNOLOGIA
EM PETROLEO LTDA.
CNPJ/CPF: 11.979.996/0001-45

Restrictions on the supplier (not impeding participation in invitations to tender):
Advance payments subject to the decision of the organizational entity issuing the invitation to tender, in the light of the economic/financial situation.

In the event of resale/distribution of products of foreign origin, payment for material will be linked to the presentation of proof of the import having been recorded.

This supplier is approved for the supply of the following speciality items/materials:
NOTE: During the contracting/purchase process, approval for each item of material must be confirmed in the PETROBRAS information system (SAP R/3), with an eye to possible alterations in technical qualification which might occur during the period of validity of this present CRCC.
